
The Mini Jar Company Favours

The Mini Jar Company

Are you getting Married ? Are you organising a corporate dinner or venue ? Or are you having a special party and want something different ? Look no further and take a look at the range of specialised handmade preserves produced by The Mini Jar Company.

We can produce a range of wedding favours from individual jars from our range of products, unusual helium balloon weights for the table decorations or a range of packaged products which make ideal corporate gifts with a difference.

All jar can be produced with customised labels showing company logos, bride & groom names and venue dates as an example

For further details please see our WEB Site or indeed contact us directly and we will only be to pleased to assist you.
